

Key Pro-to-type: Seed the need

One larger Centre Canvas 24" x 24"
 Twelve canvas Lots to frame the centre;
 each 12" x 12" numbering as shown,
 framing the centre lot from left to right,
 down the right edge, across the bottom
 edge and up the left edge finishing as a top
 left corner lot to start the second outer
 frame of 20 lots. All code starts with a
 letter followed by a number. AI, BI, CI ...
 forming the top edge on the far right of
 the completed work. See Blog 16 for Ref.
 Letters give the horizontal coordinate and
 numbering 1-6 the Vertical coordinates.

The artwork will build from the centre and grow out simultaneously or concurrently as Art directors and group heads stay connected to one another and encourage each other. The first team of twelve each seek for and pray in the Apostolic teams needed to complete the task. The giftings listed in Romans 12 are very helpful as teaching. The full company could well be between 200 to 250, each having their own part in making this happen.

The first phase is pro-to-type training research and development of creative ideas, prayer and worship playing a huge part in this as it is celebration first and centre stage art work created as performing art. The very spectacular site of so many working together is in itself a prophetic act that demonstrates what a company can do when they work together as one people to glorify our God in a true art expression that has a bible base and the Holy Spirit leading and directing the company. When we actually perform the whole picture happens in only a few days. We arrive ready.
